The Bristol Hotel

WELCOME TO THE BRISTOL

The Bristol enjoys an unbeatable waterfront location in the heart of one of the UK's most exciting and dynamic cities.

The Bristol blends a modernist façade where contemporary design and touches of Art Deco glamour seamlessly interweave. This imaginative style and warmth of hospitality means it is all at once a destination for leisure, social and business travel.

With its vibrant harbourside position, The Bristol is at the heart of a thriving creative hub and perfectly placed to access Bristol's theatres, museums and art galleries.

From shopping in Cabot Circus, local attractions like the Clifton Suspension Bridge and SS Great Britain to the city's aerospace, engineering and financial services companies, The Bristol is also well situated and accessible to the city's major transport links.

Popular among Bristolians and offering lively local ambience, the hotel's lofty River Grille offers an elegant dining experience for all occasions coupled with colourful harbourside views. Rick's transports guests to a relaxed and exotic destination and is the perfect setting to enjoy signature cocktails.

Meanwhile, The Bristol's Meeting & Events Centre is one of the largest and most flexible in the South West Region.

The lobby harks back to the Art Deco and Nouveau grandeur of a grand ocean liner. Guests are welcomed under a vintage Murano chandelier and mirror-lined walls.

GUEST ROOMS

Beautifully appointed guestrooms, many of which offer harbour or city views, ensure a restful nights' sleep. Behind every door, delight in a sumptuous bed dressed with the crispest of linens, cosy duvets and smart marble bathrooms.

SUITES

Decorated with a palette of soft natural tones, our stylishly appointed one bedroom suites offer lovely waterfront views and additional comforts to make your stay extra special.

RESTAURANT & BARS

The lofty and light-filled River Grille restaurant is an elegant and timeless space that evokes a feeling of Parisian canal-side charm. Floor to ceiling windows, moss hued walls, rattan seating and lush greenery enhance menus of local produce cooked over the Jospier grill, served alongside a vegan and organic wine list.

The River Lounge extends the feeling of a grand ocean liner from the lobby characteristic of the Art Deco and Nouveau period. Its striking checkerboard carpet and cosy seating in hues of blush pink provides a chic space that feels as warm and welcoming as a beautifully appointed private home, perfect for a coffee or cocktail catch-up 7 days a week.

Rick's showcases the sounds, flavours and spirit of this vibrant and exciting city. The glamorous cocktail bar transports guests to a relaxed and exotic destination with Golden Age inspired cocktails and delicious small bites.

MEETINGS & EVENTS

Nestled harbourside, the hotel's fully dedicated Meetings and Events centre offers nine elegantly appointed event spaces, a generous lobby, break-out areas, modern technology and a dedicated team at your service.

WEDDINGS

With our lofty, light-filled dimensions and harbourside spaces, weddings at The Bristol are always fine affairs. Perfectly suited to more intimate-style weddings, or traditional, larger celebrations, our dedicated and passionate team will work directly with you to create a bespoke occasion that is completely your own, assuring happy memories that will last a lifetime.

SLICE *of the* CITY

BRISTOL – BRITAIN'S NATURE CITY

Even as you arrive at Temple Meads - Bristol's main railway station - Bristol's natural location asserts itself. Through the end of Isambard Kingdom Brunel's majestic train shed, you'll see colourful houses ranged vertiginously up a hill, in the charmingly-named district of Totterdown. Bristol is a city of gradients - and if you're from a flat town, it won't be long before you're feeling the effects in your thighs.

Once a great port - the biggest in the country - Bristol's docks are still extensive. After checking in to The Bristol, a short walk will reveal waterfront bars and restaurants, all part of a thriving refurbishment that has brought the harbour centre-stage. Like in Venice, Bristol's waterways are used for

transport as well as sightseeing - while the event of the year is the Harbour Festival in July, when the area comes alive with music, dance and fun.

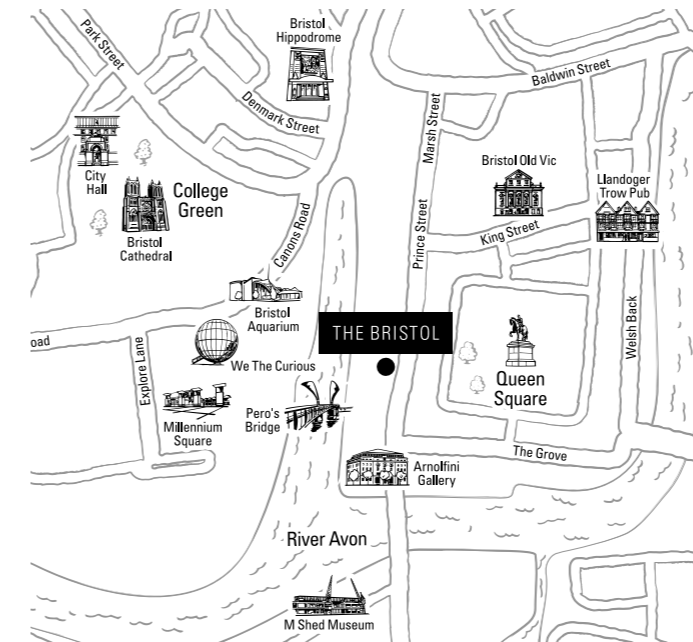

A short walk from Harboursode is the Old City, with a lively market, ancient pubs and the revived Queen Square, refurbished and rescued from insensitive 1960s planning and once again an elegant hub with Georgian buildings. And if you get a taste for those Georgian buildings then you must climb Park Street to Clifton.

While in Clifton, one can take an interesting tour of the BBC's Natural History Unit, established here since the 1950s and

again an indicator that Bristol is a city that's close to nature. But the real must-see is Brunel's Clifton Suspension Bridge which sits 275 feet over Avon Gorge and dates back to 1864.

From the bridge, one can either head down a zig-zag path to the river, go up to the Downs, or cross the bridge to go to the Ashton Court estate. It's here, in August, that the legendary Bristol International Balloon Fiesta is held. This festival is an extraordinary sight to see as multi-coloured orbs sail through the air over the Avon Gorge. Back towards town, take in Brandon Hill Park and the Cabot Tower - yet another panorama in a city full of them.

Enjoy a drink back at Rick's, Harbourside. Your soul and your calves will be feeling that natural Bristol magic.
